The General Conference,

Bearing in mind Resolutions 37 (II) of September 9, 1971, 2 (I-E) of November 6, 1972, 50 (III) of August 23, 1973 and 70 (IV) of April 17, 1975, whereby it has been making repeated appeals to the Governments of Member States not yet Parties to the Convention on Privileges and Immunities of the Agency to proceed to sign and ratify said instrument as soon as possible, and

Having carefully studied the status of signatures and ratifications of the above mentioned Convention, as it appears in the Annex to the Memorandum of the Secretary-General, Document CG/147,

Resolves:

To request the Governments of Member States that have not yet signed the Convention on Privileges and Immunities, to do so at the earliest opportunity, and to those who

have already signed but have not ratified it to do as at the earliest possible date, with the purpose, based on Article 7 of the Treaty for the Prohibition of Nuclear Weapons in Latin America, to perfect, by the formal recognition of these prerogatives in every Member State, the legal statute which the Agency must have for the full performance of its functions.
