GENERAL CONFERENCE
Eighth Regular Session
Agenda Item 16
Kingston, Jamaica, May 16-19, 1983

RESOLUTION 177 (VIII)

SCALE OF CONTRIBUTIONS FOR APPORTIONMENT OF EXPENSES OF THE AGENCY,
FOR THE FINANCIAL YEARS 1984 - 1985

REPORT OF THE COMMITTEE ON CONTRIBUTIONS AND BUDGETARY MATTERS

The General Conference,

Emphasizing the importance of the principle that all Member States of OPANAL must contribute in a fair and equitable manner to its upkeep;

Recalling that paragraph 3 of Article 9 of the Treaty of Tlatelolco stipulates that:

"The General Conference will adopt the Budget of the Agency and fix the Scale of financial contributions that Member States must cover, taking into consideration the systems and criteria used for the same purpose by the Organization of the United Nations.";

Recalling similarly that the General Conference has stated in Resolution 152 (VIII) of April 24, 1981 that application of systems and criteria used by the Organization of the United Nations, to which paragraph 3 of Article 9 of the Treaty of Tlatelolco makes reference, must be done on the basis that those systems and criteria are only a guideline, which must serve as the procedure on which is based the system for fixing the contributions in OPANAL;

Bearing in mind that in said Resolution it was stipulated that the final goal must be that the largest contributor must contribute 25% of the Budget of the Agency, a goal which must be reached in the biennium 1986-1987;

Having heard the Committee on Contributions and Budgetary Matters, established by Resolution 106 (V),

Resolves:

That the Scale of Contributions of Member States for apportioning the expenses of the Agency for the financial years 1984-1985, shall be as follows:
