GENERAL CONFERENCE  
Ninth Regular Session  
(Agenda Item 9)  
Mexico City, 7-9 May 1985

RESOLUTION 187 (IX)

REPORT OF THE GOOD OFFICES COMMITTEE

The General Conference,

Mindful of Resolutions 17 (I) dated September 8, 1969; 35 and 36 (II) dated September 9, 1971; 122 (VI) dated 27, 1979; 139 (VII) dated April 24, 1981 and 165 (VIII) dated May 18, 1983, whereby was established and renewed the original mandate of the Good Offices Committee and its scope broadened so that this body "in the form in which it considers most appropriate offers its service to Member States of OPANAL in any other situation where it is necessary as well as for any efforts made to obtain the accession of the States of the region which are not yet Members of the Agency and adherence to Additional Protocols I and II of the said Treaty, of those States for whose signature and ratification the Protocols are open";

Having examined the Report of the Good Offices Committee submitted in document CG/268;

Emphasizing that the inclusion of each of the countries of the region of the Treaty of Tlatelolco is the fundamental hope of all States Parties to the Treaty,

Resolves:

1.           To renew the mandate of the Good Offices Committee in accordance with Resolutions 36 (II) dated September 9, 1971, 139 (VII) dated April 24, 1981 and 165 (VIII) dated May 18, 1983, broadening its scope so that it may deal on the dispute between Belize and Guatemala.
  
2.           To request the Secretary General to make available to the Good Offices Committee, as he has been doing to date, all the facilities within the powers of the Secretariat, to contribute to the successful outcome of the functions assigned to the said body.
  
3.           To request the Good Offices Committee, at the Tenth Regular Session, to make a report to the General Conference on the results of its efforts.

(Adopted on the Fifty-second Session,  
held on 7 May 1985).
