CG/Res. 233 (X)

April 29, 1987

GENERAL CONFERENCE
Tenth Regular Session
Montevideo, Uruguay, April 27-30, 1987

RESOLUTION 233 (X)

SCALE OF CONTRIBUTIONS FOR APPORTIONMENT OF EXPENSES OF THE
AGENCY, FOR THE FINANCIAL YEARS 1988-1989

REPORT OF THE COMMITTEE ON CONTRIBUTIONS
AND BUDGETARY MATTERS

The General Conference,

Emphasizing the importance of the principle that all Member States of OPANAL must contribute in a fair and equitable manner to its upkeep;

Recalling that paragraph 3 of Article 9 of the Treaty of Tlatelolco stipulates that:

"The General Conference will adopt the Budget of the Agency and fix the scale of financial contributions that Member States must cover, taking into consideration the systems and criteria used for the same purpose by the Organization of the United Nations.";

Recalling similarly that the General Conference has stated in Resolution 152 (VII) of April 24, 1981 that application of systems and criteria used by the United Nations, to which paragraph 3 of Article 9 of the Treaty of Tlatelolco makes reference, must be done on the basis that those systems

and criteria are only a guideline, which must serve as the procedure on which is based the system for fixing the contributions in OPANAL;

Bearing in mind that in said Resolution it was stipulated that the final goal must be that the largest contributor provides 25% of the Budget of the Agency;

Having heard the Committee on Contributions and Budgetary Matters, established by Resolution 106 (V),

Resolves:

That the Scale of Contributions of Member States for apportioning the expenses of the Agency for the financial years 1988-1989, shall be as it is stated in document CG/310.

(Adopted on the 61rst. Session
held on April 29, 1987)
