GENERAL CONFERENCE
Eleventh Regular Session
Mexico City, 25-28 April 1989

RESOLUTION 260 (XI)

FUND FOR PEACEFUL USES OF NUCLEAR ENERGY

The General Conference,

Recalling Resolutions 180 (VIII), 201 (IX) and 231 (X) regarding the state of the Fund for Peaceful Uses of Nuclear Energy;

Taking note of the report presented by the Secretary General (Doc. CG/340) on this Fund and of the Certification of the External Auditor of the Statements of the Agency (Docs. CG/321 and CG/322);

Noting also that the Fund for Peaceful Uses of Nuclear Energy has not yet been established;

Taking into account the interest expressed by the States Linked to the Treaty, especially those that have signed and ratified the Protocols of the Treaty, that the Treaty complies with the functions that have been assigned to it,

Resolves:

1. To request to all Member States which are indebted with the Agency to normalize their unpaid contributions.

2. To recall that Article 20, subparagraph 1) empowers the General Conference to take note of all cases in which, in its judgement, the Contracting Parties are not complying with the obligations stemming from the Treaty of Tlatelolco, and that the payment of contributions is one of those obligations.

3. To authorize the Secretary General to take steps before the States Linked to the Treaty and referred to in Article 20 of the Rules of Procedure of the General Conference, with a view to obtaining voluntary contributions to support the operations of the Agency.

4. To request the Secretary General to transmit this Resolution to all the Member States and States Linked to the Treaty, which are referred to in the preceding paragraphs.
