Resolution

Working methods for OPANAL meetings in 2023

The General Conference,

Bearing in mind the logistical and technical challenges for the work of the Agency for the Prohibition of Nuclear Weapons in Latin America and the Caribbean (OPANAL) arising from the COVID-19 pandemic, during the 2020-2022 biennium;

Taking into consideration the opportunity to increase the inclusiveness and participation of Member States that do not have representation in Mexico City, by using remote connection technologies;

Aware of the importance of improving the Agency's working methods in order to positively impact the substantive work of the Council and the other organs of OPANAL;

Taking note of the Report of the Secretary General contained in document **CG/E/08/2022** with recommendations to improve the working methods for OPANAL meetings in 2023;

Resolves:

1. **To take note of and express appreciation** for document **CG/E/07/2022** elaborated by the Secretary General on working methods.
2. **To invite** the Council to take the necessary steps to implement the recommendations contained in document **CG/E/07/2022** in order to improve the working methods for OPANAL meetings in 2023.
3. **To instruct** the Secretary-General to provide the necessary support to the Council to implement this resolution and to keep the Member States informed of these measures and their execution.
